

On-demand CME Webinars Expire Aug. 31

Earn State-mandated Continuing Medical Education

To provide family physicians, family medicine residents, and medical students with virtual professional development and continuing medical education, Michigan Academy of Family Physicians and Family Medicine Foundation of Michigan provide on-demand, virtual sessions and articles. Expiring on Aug. 31, 2023, are the following on-demand CME webinar package and individual CME webinars. Successful completion of the sessions and their corresponding survey prior to Aug. 31 will earn you CME credit, which MAFP staff will report to AAFP. We will also email you a certificate for your records.
