

## **Funding Opportunity for Residents: Family Medicine Cares Resident Service Award**

Established to create an opportunity to tackle the health needs of the underserved, the Family Medicine Cares Resident Service Award is open to 1st and 2nd-year residents seeking to address unmet health needs in their communities through a year-long service project. The AAFP Foundation provides up to two grants of \$16,500 to support such projects. [Applications](#) are being accepted through Sept. 30.
