

Help LARA Streamline Licensure Efforts: Your Input Needed!

Last month, Gov. Gretchen Whitmer [sent a letter](#) urging the Michigan Department of Licensing and Regulatory Affairs (LARA) to review the public health licensure process and identify ways to eliminate unnecessary bureaucratic barriers while protecting public safety.

Your input matters!

As you know, MAFP has a strategic goal of reducing the administrative burden associated with licensure and streamlining credentialing requirements for family physicians. We look forward to serving as a resource and voice during this important LARA discussion and your feedback will help inform these efforts. If you have any input or have experienced licensing issues, **please email your suggestions and feedback to**
