

MAFP Bill Tracking Update (Feb. 29, 2024)

Grassroots advocacy is powerful. As a family physician, resident or medical student, you are a healthcare expert who legislators need and want to hear from as they make decisions impacting your patients (their constituents), your community, and the practice of medicine. To support your advocacy efforts, I am pleased to share the current [MAFP Bill Tracking Update](#) . The document is updated monthly by our multi-client lobbyist McCall Hamilton.
