

## **Call for Presentation Proposals: 2024 Michigan Family Medicine Conference & Expo**

As we plan for the 2024 Michigan Family Medicine Conference & Expo—July 13-16 at the Grand Hotel on Mackinac Island—Family Medicine Foundation of Michigan's Professional Development Committee is accepting CME presentation proposals through **Sept. 15, 2023**. Clinical and practice management presentations by family physicians, family medicine residents, and associated experts are welcome!

For a presentation to be submitted for AAFP's CME approval, the proposal must identify a professional gap, a needs assessment, learner objectives, cited resources, and complete speaker information as well as clearly convey how the course will directly impact healthcare delivery and patients' well-being.
