

REGISTRATION FORM

The Michigan Academy of Family Physicians (MAFP) and the Michigan Association of Osteopathic Family Physicians (MAOFP) invite you to participate in

Michigan Family Medicine Advocacy Day

Tuesday, February 23, 2016 | 8:00 a.m. - 4:00 p.m.

Karoub Associates | 121 West Allegan Street | Lansing, MI 48933

Building and sustaining relationships with lawmakers is critical to stabilizing an already fragile Michigan healthcare system, which is why the Annual Michigan Family Medicine Advocacy Day is a valuable opportunity for MAFP and MAOFP members to visit with their legislators. The services provided by Family Physicians are essential for the delivery of cost-effective, quality healthcare. During the legislative visits, members can discuss important policy issues unique to Family Medicine.

Take time to participate in this year's event by completing the registration information below or by registering online at www.mafp.com/events. We need you to help make the voices of Michigan's Family Physicians heard loud and clear!
