

Committee Descriptions and Sign-Up Form

The leadership provided by MAFP committees is key to our success. Committees meet throughout the year in-person and via conference call. Each committee will vary on its time commitment; however, MAFP is conscious of your schedule as a busy Family Physician so all efforts to ensure your time is spent wisely and efficiently are considered. Annually, the MAFP President and MAFP Foundation President appoint committees. If you are interested in serving on one of the following committees, **please indicate in order of preference** (*with 1 being your first choice, 2 your second choice, etc.*) **in the box next to the committee in which you're interested**, and **return this completed form to MAFP by May 1, 2015**.

COMMITTEE SELECTION

Advocacy Committee (MAFP)

This committee helps to shape health care policy through interactions with government, the public, business, other professional organizations, and the health care industry.

Communications & Membership Committee (MAFP)

This committee helps to recruit and retain members while offering viable membership services. The committee also assists in the promotion of the unique and essential role of Family Medicine and the Academy to the public, business, government, health care industry, students and our members.

Professional Development Committee (MAFP Foundation)

This committee plans, advises and conducts all CME programming that MAFP offers its members.

Education Committee *RE: Students and Residents* (MAFP Foundation)

This committee focuses on establishing Michigan as a leader in Family Medicine residents and medical students through the assistance and cooperation of Family Medicine residency program directors and faculty, medical school faculty, residents and students.

Family Medicine Political Action Committee (FMPAC)

As the governing body of the Family Medicine PAC, this committee provides an opportunity for MAFP members to collectively support candidates for public office in Michigan who are interested in and supportive of issues that serve to uphold the mission of MAFP.
